A meeting of the Lake Rescue Assoc. was held Tues. evening, July 8 at Cob-edge Sea House with a large number present.

Mrs. W. C. Bellmaw, president, opened the meeting by asking each one present to tell why he or she became interested in the lake. Most interesting stories were related.

A report of the secretary was read and approved.

Mr. Curtis Robison reported that 4,000,000 perch were placed in the lake the middle of May. It was voted that Mr. Robison serve on the committee with Mr. H. E. Walker, to stock the lake this next spring with perch and other fish.

A letter was read from Lindley Robison in regard to paying \$5. toward Lake Rescue Assoc. funds. The bill was voted to be paid. A report was made by the membership committee Mrs. Shannon, Mrs. Bond & Mary Curtis.

The meeting was opened for discussion. Mr. Van Mickle spoke of the motor boat nuisance and it was voted that the chair appoint a committee on motor boat nuisance, Mr. Van Mickle, Mr. Hemenway & Atty. Williams were the committee.

The secretary was instructed to have notices printed & distributed, the notices in regard to "No trespassing on private property about the lake." and signed by the Lake Rescue Association.

A dance was suggested, to raise money for the association and a committee of Dr. Gauding, Mrs. Riley, Walter Aker, Mr. Van Mickle and Mrs. Moore was voted to carry out the plans.

Mrs. Riley suggested that something be done for Red Cross work on the U.S.C., Mrs. Purser suggested

Something be done for
"Bundles for British".
A committee was appointed of Mrs.
Curser, Mrs. Bond and Mrs. Van
Nickle.

Mr. Allen was appointed a committee
to see that all committees functioned
properly.

There was discussion as to a
singing place for young people
but no definite action was
taken in this regard.

Mr. Allen suggested a card
party to be held as a benefit
to start a fund toward a public
beach. He was appointed chairman
of a committee to raise funds for
this project; with Mrs. Bond,
Mr. Spaulding and Mrs. Riley.

A nominating committee was
elected, Mrs. Bond, Mrs. P. R.
Spaulding and Mrs. Riley.

Lake Rescue Assoc. Meets At Monroe Home

LUDLOW—Twenty-seven members and guests of the Lake Rescue Association were entertained at the attractive summer home of Mrs. Ethlyn Monroe on Lake Rescue Thursday evening, August 26, it being the annual get-together meeting of the association.

Mrs. W. C. Belknap, president of the association ever since it was organized, presided at the meeting. A report for the year of 1942 was read by the secretary-treasurer, Mae C. Archibald. A nominating committee of Mrs. Esther Bond, Mrs. Helen Archibald and Miss Mary Burtis presented the name of Llewellyn Spaulding as president; Walter Aher as vice-president, and Mrs. M. F. Proctor, secretary-treasurer for the ensuing year. The names were voted upon and accepted as read.

As H. E. Walker was on a committee to report on fish and game, he gave an interesting talk on Blister Rust which attacks white pine trees which today are considered most valuable trees for building purposes. The trees are affected by the transmission of pollen from the gooseberry and wild currant bushes to the pine tree.

When blister rust gets into a forest of white pine it is most difficult to arrest the progress of the disease, in fact many trees have to be cut down and burned as in a short period the wood of the trees is destroyed for commercial use.

Mr. Walker reported a number of trees on the east side of Lake Rescue are affected with blister rust and that steps should be taken to remove the cause without

August 31, 1944 (Thursday)

The annual meeting of the Lake Rescue Ass'n was held at the Helen Archibald cottage on Lake Rescue, Aug. 31, '44, with 25 members & guests present.

Mr. Llewellyn Spaulding, president of the association presided. Minutes of the last meeting were read & approved. The Treasurer reported a balance on hand of \$49.39.

Mr. H. E. Walker, chairman of fish & game reported on the placements of perch which had been placed in the lake, and said there should be some good sized fish developing. A general discussion followed in which the opinion seemed to be that high powered speed boats had hindered

fishing. A motion was made & carried that a committee of three be appointed by the President to investigate & ascertain whether or not these speed boats could not be regulated on the lake. The following were named:

Fred Fuller, Chairman

Mrs. H. C. Belknap

Mr. Emil Swenson

Mr. Walker also gave a report of his personal investigation of the Blister Rust on the white pines around the lake.

It was voted to continue the committee with the addition of Merrill Proctor as a member, and to have Mr. Proctor serve with Mr. Walker and Mr. Curtis Robinson on the

fish & game committee.

The President gave a report from Dr. M. O. Carey in which he stated that examination of the lake water had been made at the state laboratory & no pollution was found.

It was agreed that every precaution possible should be taken against the dumping of garbage and glass in the lake. The sum of \$10 was voted to the Recreational Project of Ludlow.

It was voted that the Secretary send a letter of appreciation to the Gaymont Mills, Inc. for the splendid manner in which they have maintained the high

water level despite the dry season.

It was voted that the same officers hold over for another year.

Refreshments of doughnuts & coffee were served by the hostesses and officers of the association.

Mr. Llewellyn Spaulding, president of the ass'n presided. Minutes of the last meeting were read & approved. The Treasurer reported a balance on hand of \$49.20

Among the several matters discussed were road signs directing tourists to the lake. It was voted to investigate

the matter & take proper steps to procure such signs. A committee consisting of L. A. Spaulding and J. H. Archibald was named.

Mr. Herbert Stalker, Dr. E. B. Holmes, and Mrs. Esther Bond were appointed to see the town officials in regard to having an improved road from the bridge to the cottages on the north side of the lake.

Mr. Stalker also reported on fishing and expressed the hope that the coming year might prove a better season for fishermen.

Mr. and Mrs. Herbert

-------------------	----------

July 10, 1946

A meeting of the Lake Rescue Ass'n to which all owners of property around the lake + Round Pond were invited, was held on July 10, 1946 at the Proctor Cottage. There were 40 present. The purpose of the meeting was to hear a proposal regarding transfer of water rights of the lake from Gay Bros. Inc. to the Lake Rescue Association. Mr. Stearns Gay was present to discuss the matter with the property owners.

Mr. Llewellyn Spaulding, the president, presided. Minutes of the last meeting were read and approved. The Treasurer reported a balance on hand of \$69.20

The president then introduced Mr. Stearns Gay who presented the willingness of Gay Bros. Inc. to deed to the Lake Rescue Ass'n

for a nominal sum, the water rights of the lake for a trial period of two years, which would make it possible for Gay Bros. to ascertain whether or not their industry would be impaired by the transfer of power rights. Mr. Gay explained the various items pertaining to the cost of maintaining the dam: - tax replacing flashboards each season, and labor. He made it clear that with the transfer would go the responsibility of satisfactory maintenance for their interests as well as for the recreational area. Upon request, Mr. Gay read a sample agreement which had been drawn up, and answered questions regarding the proposition.

A motion was made by Ralph Parker, seconded by several of those present that a committee

of three be appointed to work out the final agreement with Gay Bros. Inc. with authority to sign the deed. Mr. Herbert Pease, Mr. John Dorsey & Mr. Herbert Walker were appointed.

Mr. John Dorsey expressed appreciation of the generous offer & a rising vote of thanks was extended to Mr. Gay and to the Gay Bros.

The question of dues was then discussed in view of the fact that more funds would be needed to maintain the dam. Finally a motion was made by Lindley Robinson, seconded by Mrs. Bond that for this year, since taxes had previously been paid, each property owner be assessed \$2.50, and those having more than one cottage should pay this sum on each, amount not to exceed \$10.00. Motion

carried.

A maintenance committee for the dam was appointed consisting of Herbert Pease, John Dorsey, Herbert Walker, Stearns Gay, & James Breslin.

A membership committee for contacting all property owners and explaining the reason for increasing dues and collecting same was named as follows: Esther Bond, Mrs. Daniell, Mrs. Belknap, Lindley Robinson, & Gladys Spaulding.

Henry Vail then spoke for the recreation council of Ludlow and urged attendance at the annual meeting of the council to be held in Legion Hall in Ludlow, Friday evening, July 12th. He told of the proposed beach at Cooledge, the work necessary to make it safe for children, and the building of a raft.

It was voted to contribute \$10.00 to the council.

It was voted to instruct the secretary to write a letter to Col. Paul Chase thanking him for his splendid appeal for the Lake Rescue Association at the time of the public meeting on the Flood Control Dam Project.

A nominating committee consisting of Mrs. Aker, Mrs. Pease, & Mrs. Archibald was appointed to draw up a slate of officers to be presented at the annual mtg. in August. This meeting was scheduled to be held the first Wednesday evening in August at the Procter cottage.

That evening, dues to the amount of \$48.50 were paid

to the Treasurer.

A pleasant social hour followed. Punch & wafers were served by the hostess.

Report of the Nom. Com. was given by Mrs. Aher as follows:

President, Walter Aher
V. Pres. Henry Vail

Sec'y. Treas. Elizabeth Pease
Secretary was instructed to cast one ballot for the slate of officers for ensuing year.

Mr. Aher took the chair and called on Mr. Pease for a report of the committee appointed to draw up the agreement with the Gay Bros. Inc.

Mr. Pease read the agreement and Mr. Robinson moved to authorize the committee to sign same by request of the Association. Motion seconded & carried.

The committee also gave assurance from the District that the tax would be cut to half of its former appraisal since it was for recreational use - \$4000 to \$2000.

Chairman of membership committee reported.

A motion was made, seconded & carried that

the Secretary send a
statement to each property
owner ^{around Lake Rescue & Round Pond}, each year on
August 1st.

The subject of garbage
disposal was discussed
with the result that a
committee consisting of
Stearns Gay, Jack Spaulding,
and Lindley Robinson
was appointed to interview
the Town Manager in regard
to the matter, find out
what could be done, and
report back to the Ex. Board.

Mrs. Spaulding spoke of
the need of police protection
also, and the committee
was asked to include
this matter in their
interview with the Town
Manager.

Mr. Robinson made an

appeal for Teen Town, the
project which has been
started at the Academy
for the young people of
Ludlow. Since the Ass'n
had contributed \$10.00

August 7, 1947

The annual meeting of the Lake Rescue Association was held at Carpenter's Point Lodge. Mr. Aher, the president, presided.

The secretary's & treasurer's reports were read and accepted.

Mr. Aher reported he had spoken to the health officer about the condition of the water but the state health officer said it was OK. If a sample of the water ~~presented~~ in the morning, it would be OK. But if it were taken at night, it would show a little contamination. You can always put in Ochlorine.

1947

The report of the nominating committee: Mrs. Proctor, Mrs. Belknap and Mrs. Archibald was given as follows:

Mr. Aher, pres.
Mr. Vail, vice-pres.
Mrs. Pease, sec-treas.

It was moved and seconded that the secretary cast one ballot for the slate as read. This was so done.

The Dam was very thoroughly discussed! It was brought to the attention of the Assoc. that the Town Manager would like to repair the bridge around Sept. 1 + therefore would need

to draw the water in the
 lake way down. It was
 voted to give the Selectmen
 permission to draw
 down the water.

Some one asked if
 there was any ~~question~~ ^{danger}
 of the dam going out.
 Since the Ruffland
 disaster, there had been
 rumors around that this
 dam was not safe.

Stearns Jay explained
 very clearly that it
 was almost an im-
 possibility because of
 the nature of the
 bottom.

When asked about

1947

the liability to each of us if (Mr. Ray ~~is~~ - and no if it wouldn't) ~~because~~ the dam did go out - Mr. Ray said that the liability still remained with Ray Bros. because the title to the property is still with Ray Bros. It was Lawyer Paul Chase who when consulted said that to change this title and have a corp. formed would take an act of Legislature.

There was much discussion on the subject of motorboats. All agreed that there were too many who were

1947

not Cottage or prop. owners who had motorboats on the lake. All agreed it spoiled fishing, swimming and sleeping. It was moved that a Committee be appointed to see what could be done about this nuisance. Also what could be done about any motorboat that was really endangering prop. + lives.

The Committee: Mrs. Bellhop, Mr. Vaal, Mrs. Bond + Mr. Fuller.

Mr. Ahee reported that he had contacted Mr. Murrey who said that he would pick up garbage twice a week. It was also mentioned that Mr.

Don Waite could also be hired to do this.

All were agreed that there should be something done about the poor fishing in Lake Rescuer. Mr. Aker said that now with Bill Creever on the Fish & Game Board we might find out just what was the trouble - whether it was poor feed or something else. Herbert Walber, ^{out of Seattle} Archibald, ^{from Kennewick} & W. White were appointed a committee to see what could be done to improve the fishing here. ^{that the committee would} It was suggested that the committee would ^{with the} Mr. Buller said that he knew about had been

Some one suggested
putting in a screen. Then
there was talk on
screening the lake to
improve the fishing.
It was suggested that Mr.
Jay find out how expensive
this would be. If it were
too costly, it was moved
+ seconded that this
not be done this year.

Mr. Jay said that
this screen must in
no way interfere with
the water rights. All
agreed.

Mrs. Bond spoke
about a hand rail for
the bridge on the back
road. Mary Cottage +
property owners spoke

1947

about the poor condition of this back road. It was voted to invite the town manager to our next meeting.

It was voted to have our dues the same as this year.

Refreshments were served by the Committee.
